

ROGER CREUS CASTANYER

Data Scientist and Engineer

@ creus99@protonmail.com 📍 Barcelona, Spain
in www.linkedin.com/in/roger-creus-castanyer/

EDUCATION

Bachelor's Degree in in Data Science and Engineering Universitat Politècnica de Catalunya (UPC)

📅 Sept. 2017 – June 2021

Basketball Coaching Level 0 Federació Catalana de Basquetbol (FCBQ)

📅 Sept. 2016 – Jan. 2017

EXPERIENCE

HP Inc. Data Scientist Intern

📅 February 2021 - June 2021

UPC Intern Researcher Research Scholarship from Banco Santander

📅 June 2021 - Present

Participation in research in Software Engineering for Artificial Intelligence.

UPC School Teaching Assistant

📅 July 2021

Teaching assistant on Reinforcement Learning at the UPC School postgraduate in Artificial Intelligence with Deep Learning.

Batou XYZ Computer Vision Engineer

📅 March 2021 - Present

Development of Computer Vision solutions for company (start-up) clients.

ADAVOICE Machine Learning Researcher

📅 January 2020 - June 2020

Participation in the Advanced Deep Learning Architectures for Speech, Audio and Language Processing research team for Natural Text Generation.

Sagrada Família Claror Basketball Coach

📅 2014 - Present

RESEARCH PROJECTS

Unsupervised skill-discovery and learning in Minecraft (URL @ ICML 2021)

- <https://arxiv.org/abs/2107.08398>

PixelEDL: Unsupervised skill-discovery and learning from pixels (EAI @ CVPR 2021)

- <https://imatge.upc.edu/web/sites/default/files/pub/cCreus.pdf>

PiCoEDL: Discovery and learning of Minecraft navigation goals from pixels and coordinates (EAI @ CVPR 2021)

- <https://imatge.upc.edu/web/sites/default/files/pub/cNieto.pdf>

Integration of convolutional neural networks in mobile applications (WAIN @ ICSE 2021)

- <https://arxiv.org/abs/2103.07286>

Which design decisions in AI-enabled mobile applications contribute to greener AI? (Registered Report @ ESEM 2021)

- <https://arxiv.org/pdf/2109.15284.pdf>

Sequence-to-Sequence modelling for RDF triples to natural text (WebNLG 2020)

- <https://webnlg-challenge.loria.fr/files/2020.webnlg-papers.5.pdf>

Machine translation datasheets for datasets

- <https://arxiv.org/abs/2005.13156>

ABOUT ME

Date of Birth: 07-10-1999

Languages: Catalan (Native), Spanish (Native), English (B2 First Certificate with C1*)

Motivation: My biggest motivation has always been learning. I learn from everyone everywhere.
